3.4.3 Number of Extension and Outreach Programs conducted in Collaboration with Industry, Community and Non-Government Organizations through NSS/NCC/Red Cross/YRC etc. during the last five years

MOTO OF NSS

The principle sentences or suffix of the National Service Plan is a watch word. It supports the need for selfless service. This sentence suggests that we should appreciate the point of view of the person in front. Empathy should be maintained for fellow human beings. The place of person is only through the welfare of the society. The self of the opposite person can only be attributed to the earth. Any benefit or happiness that can be found is " not for me but for you". I will give it to you. Thus the volunteer of Rashtriya Seva Yojna gets the best education to give up or give up first for others. The formulaic sentences is serious.

SYMBOL OF NSS

Symbol is a replica of the parath of the Sun Chariot depicted in the sun temple of Konark in Orissa. This giant wheel of the Solar Chariot expresses the importance of creation defence and the chuck of force and speed. The design of thisnsymbol of the National Service Plan represents the simplification of the Solar Chariot Cycle. The wheel which is primarily a symbol of motion expresses the progressiveness of life. As the wheel moves and moves, so does the activity of the National Service Plan and the progress of nthe society. Society is constantly changing. The symbol of the National Service Plan signifies the effort to be constantly striving. The symbol of the N.S.S indicates that the wheel of a Chariot, like a chariot a companion and the some way that Bella Carries the burden of others, everyone involved in the National Service Plan carries the burden of this society and moves it towards development. Like a load bearing pavilion, they have a strong credit and are always on the move, overcoming whatever difficulties they may face.

The Chuck symbol of the National Service Plan is the epitome of progress, change and evolutionary march order.

AIMS OF NCC

The Aims of the NCC laid in 1988 have stood the test of time and continue to meet the requirements expected of it in the current socio-economic scenario of the country. The NCC aims at developing character, Comradeship , discipline, a secular outlook, the spirit of adventure and ideals of selfless service amongst young citizens. Further, it aims at creating a pool of organized, trained and motivated youth with leadership qualities in all walks of life, who will serve the Nation regardless of which career they choose. Needless to say, the NCC also provides an environment conducive to motivating young Indians to join the armed forces.

(1) To create a Human Resource of Organized, Trained and Motivated Youth, To Provide Leadership in all Walks of life and be Always Available for the Service of the Nation.
(2) To Provide a Suitable Environment to Motivate the Youth to Take Up a Career in the Armed Forces.
(3) To Develop Character, Comradeship, Discipline, Leadership, Secular Outlook, Spirit of Adventure, and Ideas of Selfless Service amongst the Youth of the Country.

MOTO OF NCC

The need for having motto for the Corps was discussed in the 11th Central Advisory Committee (CAS) meeting held on the 11 August 19787. The mottos suggested were “DUTY, UNITY and DISCIPLINE”; “Duty and Unity”; “Unity and Discipline”. The final decision for selection of “Unity and Discipline” as motto for the NCC was taken in the 12th CAC meeting held on 12 October 1980.

SYMBOL OF NCC

It is the NCC Crest in gold in the middle, with the letters “NCC”, encircled by a wreath of seventeen lotus with a background in Red, Blue and Light Blue.
