

ACTION TAKEN REPORT: SUMMARY (COPPOSITE)

(Post Accreditation-Cycle 2)
(For the Years: 2016-17 to 2020-21)

Keeping in view the various Feedbacks collected from Students and Employees in gradual due course after the second cycle of NAAC accreditation (March-2015), the Institution, along with IQAC has analyzed them properly and on the basis of analysis took the following actions which needed immediate attention.

- ❖ Sufficient books were purchased in the Central Library of the Institution for various subject related syllabus. Books of the new, changed or modified syllabus have been included.
- ❖ Planning and implementation were thought to put into practice in near future regarding Students' orientation towards online mode of education, Usage of Social media (Facebook, What's App) as an extended form of education and an application of Online tests/quiz through MS team platform or Google Form. BLOG for both Institutional Library and Faculties were to be given priority for stakeholders' benefits.
- ❖ Construction of RCC/Blocked approach road was made from the main Gate of the Institution towards the Main Building of the College to come out from the difficulties occurred during winter season to pass through it.
- ❖ Toilets for both Boys and Girls were quite in old condition which needed immediate renovation. Instead of repairing those old ones, new toilet units for both Boys and Girls were constructed for their comforts. Besides, a new rest room for Girls was also constructed attached to the main building of the college.
- ❖ RO Plants along with Water Cooler was installed for the facility of the stakeholders of the Institution.
- ❖ Photocopier (Xerox) machine was made available at college campus for students' comfort at a minimal price rate.
- ❖ Students were provided conducive atmosphere for the preparation of various Competitive Examinations through providing different Books, Study Materials, Magazines pertaining to General Knowledge and Quiz along with various subject related Lectures. Besides, for Faculties' development books covering NET/SLET Examination were made available of related different subjects along with latest General Knowledge materials.

- ❖ The administrative Staff was provided more facilities to make them equipped to meet with the requirements to keep pace with latest updating.
- ❖ Impetus and emphasis were given to make the Institutional Central Library totally Computerized.
- ❖ Earlier the application for NAMO Wi-Fi was made for the benefits of both the Students and the faculties, which was granted to the Institution but the Installation is still in a waiting list.
- ❖ Re-tracing for Sport's ground will be planned in the near future.
- ❖ Canteen facility for all was made possible at Home Science Department in a quite minimal charge. But it remained short-lived due to lack of sufficient beneficiaries. The tenders for Institutional regular Canteen were demanded from various bidders but it went in vain as none came forward to take interest.
- ❖ Hostel facility has not been materialized due to the lack of enough grants from the Government.
- ❖ A new specific Research Cell has been allocated with needed equipment and materials for the faculty development in the Institution.
- ❖ Impetus has been given towards more transparent Academic and Administrative services in the Institution.
