

#### **7.1.4: Water conservation facilities available in the Institution:**

- 1. Rain water harvesting**
- 2. Borewell /Open well recharge**
- 3. Construction of tanks and bunds**
- 4. Waste water recycling**
- 5. Maintenance of water bodies and distribution system in the campus**

We Have Bore-well system in the campus , For Rain Water Harvesting recently constructed a big well type tank of 20000 Ltr behind college building. For Drinking water supply and sanitation we a big underground tank and four overhead tank of total 12000 ltrs. We have RO system plant with Cold water System for Drinking water. We have also water distribution system in Main Building, Home science lab., wash rooms, toilets. Some of Geo Tag Photographs are as Under.
