

7.3.1: Portray the performance of the Institution in one area distinctive to its priority and thrust within 1000 words

The vision of the Institution aims at attaining excellence of students in academic world and preparing them to face the modern challenges to inculcate the skills and values necessary to succeed in real life and above all making them responsible citizens and real human beings with the quality of compassion and love. Our Institution library carries out certain activities which seem to reflect the vision and mission of the Institution. In the present world of extra-curious techno-savvy generation, the library is the best learning resource in all higher educational institutions. The role of library can be more effective with some innovative edge added to it. With the vision of providing students more opportunities to get acquainted with the world of knowledge and information our Institution has always given priority to the promotion of enlargement of Institution library. To cater to the needs of students and scholars and provide them services to their satisfaction has been our main objective. The richness of the library is such that it helps the students not only in their studies but also their career development. The Library is rich and copious in terms of books and E-books, a lot of audio, video material, Previous Question Papers etc. The library facilities are extended, along with the Institution students, to the students belonging to other Institutions, research scholars and external students of the university, alumni of the Institution and citizen of the town. There are computers with internet and printer facility available for the students in the library too. Many poor students are benefitted by this facility. Thus our library provides reference services for learning and research like Computerized Issue Return Service, Reference and Information Service, Internet Service, Printer and Download service, Photocopy service etc. The facilities like INFLIBNET and N-List make our library quite useful. Moreover, every year library arranges different programs to create interest and enthusiasm among the students for books and for the active use of library. Such programs include book exhibition, Vanchan Shibir (Reading Workshop), lectures etc. Vision of providing students more opportunities to get acquainted with the world of knowledge and information is fulfilled by an extra activity called Vanchan Abhiyan. In this activity, the librarian and some faculties meet with the interested students frequently and discuss the books they have read. Sometimes, the faculties suggest certain books to the students. The students read those books and discuss them in this regular meeting. Thus, library and its adjacent activities try to reflect the vision and mission of the Institution in its true sense.

The Institution provides a very good platform to the students who seek achieve something in sports. Sports are an inevitable part of any institution. In our Institution students are interested in many games such as badminton, tennis, basketball, kabbadi, volley ball etc. The students participated at inter Institution; inter university and zones level and secured prestigious rank as well as championship in different competitions.

Frequent Blood donation camps, regular Rural Educational Up-liftman programs through Village adoption activity and Daily Prayer before starting the study, Active teaching learning process, Students' awareness programs for Competitive Examination as well as the information about the provision of Job opportunities etc. are other distinctive performances the Institution keeps at regular intervals.

In the wake of COVID-19 worldwide pandemic, Our Institution has distributed 200 Ration kits & Masks to Poor, Widows and needy people in adopted village Khorsam and nearby villages of Chanasma Taluka in the presence of our Management Secretary M. J. Patel, Principal Dr. R. N. Desai and IQAC co-coordinator Dr. A.S. Gami. An approximate 1 lakh rupees expense is bare by Principal and All Staff members. Distribution is made by NSS Unit Programmed Officer Dr. J. V. Patel and 10 Volunteers on the Date: 8-9 April, 2020 with Permission of Mamalatdar and Taluka Development Officer of Chanasma Taluka.

Highlights:

- The Institute is positive enough towards students' centric approach. Its proved through the evident of our sports' student Mahipal N. Rathod (MA-Sem-3- 2017-18) Who got injured during University's Handball Boy's Tournament held at Pata,n the University Place and was given rupees 48618/- (through rigorous efforts made by our Principal Dr. R. N. Desai and Physical Director Dr. K. B. Patel) for medical treatment expenditure through university provision.

- Even the employees of our institute are quite cooperative philanthropic and patriotic. The evident is obvious one of staff member Mr. V. G. Darji (Computer Programmer) donated all the money rupees 80000(Eighty thousands) on 25/02/2019 to "BHARATVEER FUND" for the help of scarified soldiers of Phulvama(J&K) Attack by terrorists.
